Section 5: Eligibility for a Free Full time place:

The following information will only be used after places have been allocated according to the nursery admissions criteria.

Every pupil offered a place will be entitled to 15 hours of funded nursery. Some pupils will be entitled to 30 hours of funded nursery if their parents meet the following government criteria:

Where *both* Parents are working (or the *sole* parent is working in a lone parent family), and *each* parent earns, on average, a weekly minimum equivalent to 16hrs at National Minimum Wage (NMW) or National Living Wage (NLW), and less than £100,000 per year.
Working will include employed and self-employed persons. Parents do not necessarily need to actually work 16 hours per week, but rather their *earnings* must reflect at least 16 hours of work at NMW or NLW rate. This includes those parents on zero hours contracts who meet the criteria.

Parents wishing to apply for a 30 hour place must register with HMRC and will be given a code to confirm eligibility. An offer of a full time place will only be confirmed once an eligibility code is provided. An offer of a free full time place will be subject to the parents still being eligible when their child starts nursery. If a child is offered a 15 hour place and the parents subsequently become eligible by the time the child starts nursery, then a 30 hour place may be offered subject to the receipt of an eligibility code and a place being available.

The eligibility criteria may be subject to change.

Do you think you will be eligible for a full time (30 hours) place according to the Government criteria?

Yes □ No □

If you are not entitled, would you be interested in paying for the additional 15 hours to have a full time place? (Approximate cost £120.00 per week)

Yes □ No □

Please indicate if you think you will be entitled to Free School Meals

Yes □ No □

Please note:

Applying for a place in the Rosary nursery does not guarantee that a place will be offered. Also a place in the Rosary nursery does not give an automatic right of transfer to reception class. A separate application for the reception class will need to be made at the appropriate time.

I confirm that I have read and understood the Admissions Policy and that the information I have provided is correct. I understand that I must notify the school immediately if there is any change to these details and that should any information I have given prove to be inaccurate, that the governors may withdraw the offer of a place even if the child has already started school.
